

## Section 2 – Declaration of Security

The “Declaration of Security” (DoS) is a formal agreement entered into by the ship and the port facility (or another ship). The DoS specifies what security arrangements [measures] will be put in place during [at] the ship/port facility interface and which party will undertake which measure. See Part A Section 5 and Part B Section 5 of the ISPS Code for the requirements and guidance on DoSs.

### Declaration of Security Proforma

### DECLARATION OF SECURITY

Declaration of Security is valid	From	To	Reason
----------------------------------	------	----	--------
